

How Big?

Support your child's brain development for learning language and communication skills by providing new and descriptive words daily.

Use **Descriptive** words like big, warm, fuzzy, and soft during playtime and routines. "You have the big, red ball".

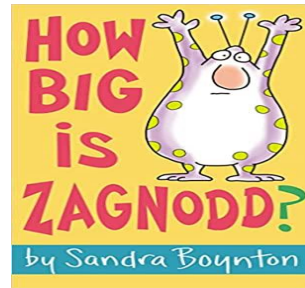

Use **Comparison** words during play and daily activities like; long/short, in/out, and big/small.

Label words around the house, when taking a walk, during playtime and daily routines.

Use **Action** words when reading and playing. "You are rolling on the floor to reach your toy", "She is running home".
