

HOW DO I READ WITH A BABY?

This can be a challenge, but this book offers some tips:

Snuggle on your lap.

Hands On - let your baby hold the book and learn how it works.

Affection - show your baby that reading together is love-ly!

Respond to what your baby does:

S-t-r-e-t-c-h word sounds so your baby can learn them.

Talk about the pictures.

Explore new word sounds in fun ways.

Patience - if your baby gets frustrated, stay calm and keep trying.

Enjoy - most of all, have fun!
