

Numbers Colors, Shapes

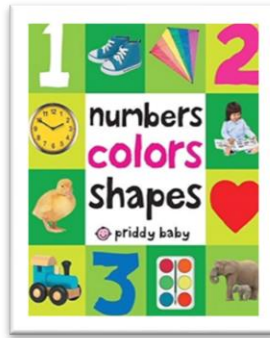

Numbers, Colors, Shapes is a great book option for toddlers beginning to learn words. Each page shows colorful pictures of everyday items that will engage your child. Let your child of any age hold the book and flip through the pages at their own pace. Identify the objects they point to or look at for an extended time.

When you engage with your child's interests, you are supporting your child's learning.

Thank you to **PoWER! Book Bags** for the generous donation of this book.
