

**PETOSKEY AREA**  
**DRIVE-THRU FOOD PANTRY**  
*for Hospitality and  
Service Workers*

Thanks to the generosity of KorthaseFlinn and Auto-Owners Insurance, Manna Food Project will be offering food assistance to Petoskey area workers affected by the COVID-19 crisis.

*“Hospitality, restaurant, construction and other service workers help make Northern Michigan a wonderful place to live, work, and play. Unfortunately, they are among the hardest hit by the COVID-19 crisis, suffering from layoffs and countless retail and restaurant closings. In normal times these individuals are always there for us...but at this moment it is our opportunity to be there for them.”*

—Randy Flinn, President of KorthaseFlinn
